PRATARMĖ

Šis 2007 metų Lietuvos istorijos bibliografijos tomas yra jau dvyliktas. Kaip ir ankstesnieji, jis parengtas bendradarbiaujant su Herderio institutu. Bibliografinių įrašų atrankos ir klasifikavimo principai išlieka tokius patys, kaip ankstesniuose leidiniuose.

PREFACE

This is already the 12th volume of the Lithuanian history bibliography of 2007. Like the earlier ones, it has been compiled in cooperation with the Herder Institute. The principles of selection and classification of the bibliographical entries remain the same as in the earlier volumes.
